

## **December Trustee Tidbits**

### **Nancy Sarno**

It has been an honor and a pleasure to have served as a trustee for over thirty years and to have watched this institution grow and evolve over time. We recently celebrated the 50th anniversary of the building but it has always been the staff and their commitment that really count. As a full service facility, all ages are served here. Please come and see the new Teen space, peruse the updated Periodical area and take a seat on the new outdoor furniture. Check out the 3D printer, the Art Gallery and the Book Sale room. The future includes a renovation of the Children's Room as well as a new Museum display area.
